SECTION I

INTRODUCTION & DESCRIPTION OF DELEGATE SELECTION PROCESS

A. INTRODUCTION

1. Illinois has a total of 185 delegates and 26 alternates.
2. The delegate selection process is governed by the *Charter and Bylaws of the Democratic Party of the United States*, the *Delegate Selection Rules for the 2008 Democratic National Convention* (“Rules”), the *Call for the 2008 Democratic National Convention* (“Call”), the *Regulations of the Rules and Bylaws Committee for the 2008 Democratic National Convention* (“Regs.”), the rules of the Democratic Party of Illinois, the Illinois Election Code, and this Delegate Selection Plan.
3. Following the adoption of this Delegate Selection Plan by the State Party Committee, it shall be submitted for review and approval by the DNC Rules and Bylaws Committee (“RBC”). The State Party Chair shall be empowered to make any technical revisions to this document as required by the RBC to correct any omissions and/or deficiencies as found by the RBC to ensure its full compliance with Party Rules. Such corrections shall be made by the State Party Chair and the Plan resubmitted to the RBC within 30 days of receipt of notice of the RBC’s findings.
4. Once this Plan has been found in Compliance by the RBC, any amendment to the Plan by the State Party will be submitted to and approved by the RBC before it becomes effective.

B. DESCRIPTION OF DELEGATE SELECTION PROCESS

1. Illinois will use a proportional representation system based on the results of the Primary for apportioning delegates to the 2008 Democratic National Convention.
2. The “first determining step” of Illinois’s delegate selection process will occur on February 5, 2008 with a Presidential Preference Primary election.
3. Voter Participation in Process
 - a. Participation in Illinois’s delegate selection process is open to all voters who wish to participate as Democrats. In Illinois, voter registration remains open until 28 days prior to the Presidential Preference Primary election, although grace period voting remains open until 14 days before the election. Voters must declare party preference for the first, and only, time at the polling place prior to voting in the Presidential Preference Primary.
 - b. At no stage of Illinois’s delegate selection process shall any person be required, directly or indirectly, to pay a cost or fee as a condition for participating. Voluntary contributions to the Party may be made, but under no circumstances shall a contribution be mandatory for participation. There are no fees associated with the Illinois delegate selection process.

- c. No persons shall participate or vote in the nominating process for the Democratic presidential candidate who also participates in the nominating process of any other party for the corresponding elections.
 - d. No person shall vote in more than one meeting which is the first meeting in the delegate selection process.
4. Illinois is participating in the state government-run presidential preference primary that will utilize government-run voting systems. The State Party has taken provable positive steps to:
- a. Promote the acquisition of accessible precinct based optical scan systems, wherever possible.
 - b. Seek enactment of legislation, rules, and policies at the state and local level to ensure that direct recording electronic systems include a voter verified paper trail
 - c. Seek enactment of legislation, rules and policies at the state and local level to ensure that both optical scan and direct recording electronic systems include recognized security measures. These measures include automatic routine manual audits comparing paper records to electronic records following every election and prior to certification or results where possible; parallel testing on election day; physical and electronic security for equipment; banning use of wireless components and connections; public disclosure of software design; use of transparent and random selection for all auditing procedures; and effective procedures for addressing evidence of fraud or error.
 - d. These provable positive steps have included enacting legislation mandating a verified paper trail for all direct recording electronic systems that is made available to the voter. The mandatory paper trail requires verification to include written identification of each candidate selected.

SECTION II

PRESIDENTIAL CANDIDATES

A. BALLOT ACCESS

A presidential candidate gains access to the Illinois presidential preference primary ballot by filing nomination papers at the principal office of the Illinois State Board of Elections at 1020 S. Spring Street, Springfield, Illinois. The filing period for Nomination Papers begins 99 days before the Presidential Preference Primary and ends 92 days before the Presidential Preference Primary, or October 29 through November 5, 2007. Nomination papers must contain a Statement of Candidacy and nominating petitions signed by not less than 3,000 and not more than 5,000 registered voters in Illinois. The presidential preference "uncommitted" will not automatically appear on the ballot. Write-in preferences are allowed.

- B. Each presidential candidate shall certify in writing to the State Democratic Chair, the name(s) of his or her authorized representative(s) by October 15, 2007.
- C. Each presidential candidate (including uncommitted status) shall use his or her best efforts to ensure that his or her respective delegation within the state delegation achieves the affirmative action goals established by this Plan and is equally divided between men and women.

SECTION III

SELECTION OF DELEGATES AND ALTERNATES

A. DISTRICT-LEVEL DELEGATES AND ALTERNATES

1. Illinois is allocated 100 district-level delegates and 19 district-level alternates.

District-level delegates and alternates shall be elected by a Two-part primary: a presidential preference primary that includes the election of delegates. The district level delegates and alternates will be elected at the Presidential Preference Primary to be held on February 5, 2008. Delegate positions will be allocated to each presidential preference (including uncommitted) according to the percentage of votes received by that presidential preference. The male and female delegate and alternate delegate candidates receiving the highest number of votes for each presidential preference shall be elected from each Congressional District until all such delegate and alternate delegate positions earned by the preference have been filled.

2. Apportionment of District-Level Delegates and Alternates

- a. Illinois’s district-level delegates and alternates are apportioned among the districts based on a formula giving one-third (1/3) weight to each of the following formulas:
 - (1) Equal weight to total population and to the average vote for the Democratic candidates in the 2000 and 2004 presidential elections.
 - (2) Equal weight to the vote for the Democratic candidates in the 2004 presidential and the most recent gubernatorial elections.
 - (3) Equal weight to the average of the vote for the Democratic candidates in the 2000 and 2004 presidential elections and to Democratic Party registration or enrollment as of January 1, 2008.
- b. The state’s total number of district-level delegates will be equally divided between men and women, with a maximum variation of one.
- c. The district-level delegates and alternates are apportioned to districts as indicated in the following chart:

District	Delegates			Alternates		
	Males	Females	Total	Males	Females	Total
#1	4	4	8	0	1	1

2. District-Level Delegate and Alternate Filing Requirements

- a. A district-level delegate and alternate candidate may run for election only within the district in which he or she is registered to vote.
- b. An individual can qualify as a candidate for district-level delegate or alternate to the 2008 Democratic National Convention by filing a statement of candidacy designating his or her presidential or uncommitted preference and a signed pledge of support for the presidential candidate (including uncommitted status) with the State Party by November 5, 2007. The Statement of Candidacy filed with the State Party may be a photocopy of the Statement of Candidacy filed with the Illinois State Board of Elections.
- c. Each candidate for district-level delegate or alternate delegate must file nominating petitions signed by the lesser of .5% of the total primary voter cast for all presidential nominees of their congressional district in 2004 or 1,000. Candidates may obtain petition forms from the Illinois State Board of Elections on July 15, 2007 and begin gathering signatures and circulating nominating petitions on August 7, 2007. Nominating petitions must be filed at the principal office of the Illinois State Board of Elections at 1020 S. Spring Street, Springfield, Illinois between October 29, 2007 and November 5, 2007.

Candidates must also file a Statement of Candidacy and a signed pledge of support indicating a presidential preference (or uncommitted) at the same location within the same time period.

- d. All candidates considered for district-level alternate positions must meet the same requirements as candidates for district-level delegate positions. A candidate for district level delegate may be considered for alternate without filing a second set of nominating petitions or Statement of Candidacy.
1. Presidential Candidate Right of Review for District-Level Delegates and Alternates
 - a. The State Democratic Chair shall convey to the presidential candidate, or that candidate's authorized representative(s), not later than 5:00 p.m. of November 7, 2007, a list of all persons who have filed for delegate or alternate pledged to that presidential candidate.

Each presidential candidate, or that candidate's authorized representative(s), must then file with the State Democratic Chair and the Illinois State Board of Elections by 5:00 p.m. on November 9, 2007, a list of all such candidates he or she has approved, provided that the presidential candidate, or that candidate's authorized representative(s), may approve a number of delegate candidates or alternate candidates equal to or greater than the number of delegates or alternates allocated to the district.
 - b. Failure to respond will be deemed approval of all delegate and alternate candidates submitted to the presidential candidate unless the presidential candidate, or the authorized representative(s), signifies otherwise in writing to the State Democratic Chair not later than November 9, 2007.
 - c. National convention delegate and alternate candidates removed from the list of bona fide supporters by a presidential candidate, or that candidate's authorized representative(s), may not be elected as a delegate or alternate at that level pledged to that presidential candidate (including uncommitted status).
 - d. The State Democratic Chair shall certify in writing to the Co-Chairs of the DNC Rules and Bylaws Committee whether each presidential candidate (including uncommitted status) has used their best efforts to ensure that their respective district-level delegate candidates and district-level alternate candidates meet the affirmative action and inclusion considerations and goals detailed in the Affirmative Action section of this Plan within three (3) business days of returning the list of approved district-level delegate candidates and district-level alternate candidates as indicated in section III.A.5.b of this Plan.
 2. Fair Reflection of Presidential Preference
 - a. Presidential Primary Proportional Representation Plan

The Illinois presidential primary election is a "binding" primary. Accordingly, delegate and alternate positions shall be allocated so as to fairly reflect the expressed presidential (or uncommitted) preference of the primary voters in each district. The National Convention delegates and alternates selected at the district level shall be allocated in proportion to the percentage of the primary vote won in that district by each preference, except that

preferences falling below a 15% threshold shall not be awarded any delegates or alternates.

- a. Within a district, if no presidential preference reaches a 15% threshold, the threshold shall be the percentage of the vote received in that district by the front-runner minus 10%.
- b. If a presidential preference qualifies to receive more delegates than appeared on the ballot pledged to that preference, such additional delegates will be nominated and selected, no later than May 5, 2008, in post-Primary caucuses held upon ten days written notice from the State Party Chair.

- (i) Persons seeking to be selected as a district level delegate or alternate for an unfilled position must file a Statement of Candidacy designating their presidential preference with the State Party Chair no later than 5:00 p.m. on April 14, 2008.
- (ii) The State Party Chair shall convey to the presidential candidate, or that candidate's authorized representative(s), not later than 5:00 p.m. on April 16, 2008, a list of all persons who have filed for delegate or alternate pledged to that candidate.
- (iii) Each presidential candidate, or that candidate's authorized representative(s), must then file with the State Party Chair, by April 18, 2008, at 5:00 p.m., a list of all such candidates he or she has approved, provided that, at a minimum, one name remains for every delegate or alternate position to which the presidential preference is entitled.
- (iv) The State Party Chair shall provide the members of the State Central Committee from the Congressional District a list of names of all candidates who are of the same presidential preference and are eligible to be selected to an unfilled position. The members of the State Central Committee shall convene the post-Primary caucus at the time and place designated by the State Party Chair.
- (v) The State Party Chair shall certify in writing to the Secretary of the Democratic National Committee the election of unfilled delegates and alternates no later than May 8, 2008.

3. Equal Division of District-Level Delegates and Alternates

- a. In order to ensure the district-level delegates are equally divided between men and women, delegate positions within each district will be designated by presidential preference beginning with the highest vote-getting presidential preference. This assignment of delegate positions, alternating by sex as mathematically practicable, will continue with the next highest vote-getting preferences in descending order until the gender of each position has been assigned.

In districts with an odd number of delegates, the first delegate selected for the winning presidential preference must be of the same sex as the advantaged gender in that district. Following that determination, the allocation would continue alternating by gender for the winning presidential preference and any subsequent preferences. In districts with an even number of delegates, the highest-vote getting delegate candidate for the district's winning

presidential preference will be the first delegate assigned. Following that determination, the state will then designate the remaining positions for that presidential preference and any subsequent preferences alternating by gender, as mathematically practicable.

- b. After the delegates are selected, the alternates will be awarded, using the same process described above.
4. The State Democratic Chair shall certify in writing to the Secretary of the Democratic National Committee (DNC) the election of the state's district-level delegates and alternates to the Democratic National Convention within three (3) days after the certification of the results by the Illinois State Board of Elections, which must occur no later than 30 days after the election.

 - b. The certification process for the Unpledged Party Leader and Elected Official delegates is as follows:

 - b. The procedures to be used in selecting the 3 unpledged add-on delegates will be as follows:

 - c. Failure to respond will be deemed approval of all delegate candidates submitted to the presidential candidate unless the presidential candidate or the authorized representative(s) signifies otherwise in writing to the State Democratic Chair not later than May 5, 2008 at 2:00 p.m..
 - d. The State Democratic Chair shall certify in writing to the Co-Chairs of the DNC Rules and Bylaws Committee whether each presidential candidate (including uncommitted status) has used their best efforts to ensure that their respective at-large delegate candidates and at-large alternate candidates meet the affirmative action and inclusion considerations and goals detailed in the Affirmative Action section of this Plan within three (3) business days of returning the list of approved at-large delegate candidates and at-large alternate candidates as indicated in section III.D.3.b of this Plan.

 - (2) Any alternate permanently replacing a delegate shall be of the same presidential preference (including uncommitted status) and sex of the delegate he/she replaces, and to the extent possible shall be from the same political subdivision within the state as the delegate.
 - (a) In the case where the presidential candidate has only one alternate, that alternate shall become the certified delegate.
 - (b) If a presidential candidate has only one alternate, and that alternate permanently replaces a delegate of the opposite sex, thereby causing the delegation to no longer be equally divided, the delegation shall not be considered in violation of Rule 6.C. In such a case, notwithstanding Rule 18.D.(2), the State Party Committee shall, at the time of a subsequent permanent replacement, replace a delegate with a person of the opposite sex, in order to return the delegation to equal division of men and women.
 - b. Temporary Replacement of a Delegate:

- (1) A temporary replacement occurs when a delegate is to be absent for a limited period of time during the convention and an alternate temporarily acts in the delegate's place.
 - (2) Any alternate who temporarily replaces a delegate must be of the same presidential preference (including uncommitted status) as the delegate he/she replaces, and to the extent possible shall be of the same sex and from the same political subdivision within the state as the delegate.
 - c. The following system will be used to select permanent and temporary replacements of delegates:
 - (1) The delegate chooses the alternate.
 - (2) If the delegate is unavailable to choose the alternate, the delegation chooses the alternate.
 - (3) Where circumstances prevent either of the above alternatives, the Delegation Chair will choose the alternate in a manner so as to protect the interests of presidential candidates, delegates and alternates.
 - d. Certification of Replacements
 - (1) Any alternate who permanently replaces a delegate shall be certified in writing to the Secretary of the DNC by the State Democratic Chair.
 - (2) Permanent replacement of a delegate (as specified above) by an alternate and replacement of a vacant alternate position shall be certified in writing by the Illinois's Democratic Chair to the Secretary of the Democratic National Committee within three (3) days after the replacement is selected.
 - (3) Certification of permanent replacements will be accepted by the Secretary up to 48 hours before the first official session of the Convention is scheduled to convene.
 - (4) In the case where a pledged delegate is permanently replaced after 48 hours before the time the first session is scheduled to convene or, in the case where a pledged delegate is not on the floor of the Convention Hall at the time a roll call vote is taken, an alternate may be designated (as specified above) to cast the delegate's vote. In such case, the Delegation Chair shall indicate the name of the alternate casting the respective delegate's vote on the delegation tally sheet
 - e. A vacant alternate position shall be filled by the delegation. The replacement shall be of the same presidential preference (or uncommitted status), of the same sex and, to the extent possible, from the same political subdivision as the alternate being replaced.
2. Unpledged delegates shall not be entitled to a replacement, nor shall the state be entitled to a replacement, except under the following circumstances:
 - a. Members of Congress and the Democratic Governor shall not be entitled to name a replacement. In the event of changes or vacancies in the state's Congressional Delegation, following the official confirmation and prior to the commencement of the National

Convention, the DNC Secretary shall recognize only such changes as have been officially recognized by the Democratic Caucus of the U.S. House of Representatives or the Democratic Conference of the U.S. Senate. In the event of a change or vacancy in the state's office of Governor, the DNC shall recognize only such changes as have been officially recognized by the Democratic Governors' Association.

- b. Members of the Democratic National Committee and unpledged add-on delegates shall not be entitled to a replacement, nor shall the state be entitled to a replacement, except in the case of death of such delegates. In the case where the state's DNC membership changes following the DNC Secretary's official confirmation, but prior to the commencement of the 2008 Democratic National Convention, acknowledgment by the Secretary of the new DNC member certification shall constitute verification of the corresponding change of unpledged delegates.
- c. Unpledged distinguished Party Leader delegates allocated to the state pursuant to Rule 8.A.(5), shall not be entitled to name a replacement, nor shall the state be entitled to name a replacement.
- d. In no case may an alternate cast a vote for an unpledged delegate.

SECTION IV

A. INTRODUCTION

1. Illinois has been allocated 7 members on each of the three standing committees for the 2008 Democratic National Convention (Credentials, Platform and Rules), for a total of 21 members.
2. Members of the Convention Standing Committees need not be delegates or alternates to the 2008 Democratic National Convention.
3. These members will be selected in accordance with the procedures indicated below.

B. PERMANENT STANDING COMMITTEE MEMBERS

1. Selection Meeting
 - a. The members of the standing committees shall be elected by a quorum of Illinois's National Convention delegates, at a meeting to be held on May 5, 2008 at 3:00 p.m.
 - b. All members of the delegation shall receive adequate notice of the time, date and place of the meeting to select the standing committee members.
2. Allocation of Members
 - a. The members of the standing committees allocated to Illinois shall proportionately represent the presidential preference of all candidates (including uncommitted status)

receiving the threshold percentage used in the state's delegation to calculate the at-large apportionment pursuant to Rule 13.E. of the Delegate Selection Rules.

- b. The presidential preference of each candidate receiving the applicable percentage or more within the delegation shall be multiplied by the total number of standing committee positions allocated to Illinois. If the result of such multiplication does not equal 0.455 or above, the presidential preference in question is not entitled to representation on the standing committee. If the result of such multiplication is 0.455 but less than 1.455, the presidential preference is entitled to one (1) position. Those preferences securing more than 1.455 but less than 2.455 are entitled to two (2) positions, etc.
 - c. Where the application of this formula results in the total allocation exceeding the total number of committee positions, the presidential candidate whose original figure of representation is farthest from its eventual rounded-off total shall be denied that one (1) additional position. Where the application of this formula results in the total allocation falling short of the total number of committee positions, the presidential candidate whose original figure of representation is closest to the next rounding level shall be allotted an additional committee position.
 - d. Standing committee positions allocated to a presidential candidate shall be proportionately allocated, to the extent practicable, to each of the three standing committees. When such allocation results in an unequal distribution of standing committee positions by candidate preference, a drawing shall be conducted to distribute the additional positions.
3. Presidential Candidate Right of Review
 - a. Each presidential candidate, or that candidate's authorized representative(s), shall be given adequate notice of the date, time and location of the meeting of the state's delegation authorized to elect standing committee members.

Presidential candidates shall not be required to submit the name of more than one person for each slot awarded to such candidate for members of standing committees.
 4. Selection Procedure to Achieve Equal Division
 - a. Presidential candidates (including uncommitted status) shall use their best efforts to ensure that their respective delegation of standing committee members shall achieve Illinois's affirmative action goals and that their respective members are equally divided between men and women..
 - b. Each position on each standing committee shall be assigned by gender. For example, the first position on the Credentials Committee of the presidential candidate with the most standing committee positions shall be designated for a male, the second position for a female, and the remaining positions shall be designated in like fashion, alternating between males and females. Positions for presidential candidates on each committee shall be ranked

according to the total number of standing positions allocated to each such candidate. After positions on the Credentials Committee are designated by sex, the designation shall continue with the Platform Committee, then the Rules Committee.

- (1) A separate election shall be conducted for membership on each standing committee.
- (2) The membership of the standing committees shall be as equally divided as possible under the state allocation; if the number is even, the membership shall be equally divided between men and women; if the number is odd, the variance between men and women may not exceed one (1), and the advantaged gender must not remain constant for the three standing committees.
- (3) The positions allocated to each presidential candidate on each committee shall be voted on separately, and the winners shall be the highest vote-getter(s) of the appropriate sex.

5. Certification and Substitution

- a. The State Democratic Chair shall certify the standing committee members in writing to the Secretary of the Democratic National Committee within three (3) days after their selection.
- b. No substitutions will be permitted in the case of standing committee members, except in the case of resignation or death. These provisions demonstrate the intention of the Democratic Party to ensure a full opportunity for all minority group members to participate in the delegate selection process.
1. All public meetings at all levels of the Democratic Party in Illinois should be open to all members of the Democratic Party regardless of race, sex, age, color, creed, national origin, religion, ethnic identity, sexual orientation, economic status or physical disability (hereinafter collectively referred to as "status").
 2. No test for membership in, nor any oaths of loyalty to the Democratic Party in Illinois should be required or used which has the effect of requiring prospective or current members of the Democratic Party to acquiesce in, condone or support discrimination based on "status."
 3. The time and place for all public meetings of the Democratic Party in Illinois on all levels should be publicized fully and in such manner as to assure timely notice to all interested persons. Such meetings must be held in places accessible to all Party members and large enough to accommodate all interested persons.
 4. The Democratic Party in Illinois, on all levels, should support the broadest possible registration without discrimination based on "status."
 5. The Democratic Party in Illinois should publicize fully and in such a manner as to assure notice to all interested parties a full description of the legal and practical procedures for selection of Democratic Party officers and representatives on all levels. Publication of these procedures should be done in such fashion that all prospective and current members of each State Democratic Party will be fully and adequately informed of the pertinent procedures in time to participate in each selection procedure at all levels of the Democratic Party organization.
 6. The Democratic Party in Illinois should publicize fully and in such a manner as to assure notice to all interested parties, a complete description of the legal and practical qualifications of all positions as officers and representatives of the State Democratic Party. Such publication should be done in timely fashion so that all prospective candidates or applicants for any elected or appointed position within each State Democratic Party will have full and adequate opportunity to compete for office.

- B. Discrimination on the basis of 'status' in the conduct of Democratic Party affairs is prohibited. (Rule 5.B.)
- C. ILLINOIS'S delegation shall be equally divided between delegate men and delegate women, and alternate men and alternate women. Such goal applies to the entire delegation, which includes all pledged delegates and alternates and all unpledged delegates. Delegates and alternates shall be considered separate groups for purposes of achieving equal division.

- G. All delegates, alternates and standing committee members must be bona fide Democrats who have the interests, welfare and success of the Democratic Party of the United States at heart, who subscribe to the substance, intent and principles of the Charter and Bylaws of the Democratic Party of the United States, and who will participate in the Convention in good faith.
- H. Fifty percent (50%) of the members of any Party body above the first level of the delegate selection process shall constitute a quorum for any business pertaining to the selection of National Convention delegates, alternates, standing committee members, and other official Convention participants.
- I. An accredited participant in a caucus, convention or committee meeting, after having appeared at such meeting and having established credentials, may register a non-transferable proxy with another duly accredited participant at that meeting (except where an accredited alternate is present and eligible to serve as a replacement), provided that no individual may hold more than three (3) proxies at one time.
- J. The unit rule, or any rule or practice whereby all members of a Party unit or delegation may be required to cast their votes in accordance with the will of a majority of the body, shall not be used at any stage of the delegate selection process.
- K. Any individual or group of Democrats may sponsor or endorse a slate of candidates for convention delegates. But no slate may, by virtue of such endorsement, receive a preferential place on a delegate selection ballot or be publicly identified on the ballot as the official Democratic Party organization slate, and all slates must meet identical qualifying requirements for appearing on a ballot at all levels of the delegate selection process.
- L. All steps in the delegate selection process, including the filing of presidential candidates, must take place within the calendar year of the Democratic National Convention, except with respect to the implementation of the Affirmative Action Plan.

SECTION VII

AFFIRMATIVE ACTION, OUTREACH AND INCLUSION PLAN

A. STATEMENT OF PURPOSE AND ORGANIZATION

1. Purpose and Objectives

- a. In order that the Democratic Party at all levels be an open Party which includes rather than excludes people from participation, a program of effective affirmative action is hereby adopted by Illinois.
- b. Discrimination on the basis of “status” in the conduct of Democratic Party affairs is prohibited.
- c. All public meetings at all levels of the Democratic Party in Illinois should be open to all members of the Democratic Party regardless of race, sex, age, color, creed, national origin, religion, ethnic identity, sexual orientation, economic status or physical disability (hereinafter collectively referred to as “status”).
- d. Consistent with the Democratic Party’s commitment to including historically under-represented in the Democratic Party’s affairs, by virtue of race/ethnicity, age, sexual orientation, or disability, Illinois has developed Party outreach programs. Such programs include recruitment, education and training, in order to achieve full participation by such groups and diversity in the delegate selection process and at all levels of Party affairs for 2008.
- e. In order to encourage full participation by all Democrats in the delegate selection process and in all Party affairs, the Illinois Democratic Party has adopted and will implement programs with specific goals and timetables for African Americans, Hispanics, Native Americans, Asian/Pacific Americans and women.
 - (1) The goal of the programs shall be to encourage participation in the delegate selection process and in Party organizations at all levels by the aforementioned groups as indicated by their presence in the Democratic electorate.
 - (2) This goal shall not be accomplished either directly or indirectly by the Party’s imposition of mandatory quotas at any level of the delegate selection process or in any other Party affairs.
- f. In order to achieve full participation of other groups that may be under-represented in Party affairs, including members of the LGBT community and people with disabilities, the Illinois Democratic Party has adopted and will implement Inclusion Programs.

2. Organizational Structure

- a. An Affirmative Action Committee shall be appointed by the State Democratic Chair on March 1, 2007.
 - b. The Committee shall consist of members from each delegate district representing the Democratic constituency groups set forth in the Introduction to the Affirmative Action Plan. Attached as Exhibit 1 is a list of the members of the Affirmative Action Committee.

 - d. Financial and staff support for the Affirmative Action Committee shall be provided by the State Party Committee to the greatest extent feasible, including, but not limited to, making available on a priority basis, the State Party staff and volunteers and covering all reasonable costs incurred in carrying out this Plan.
3. Implementation of the Affirmative Action Plan shall begin on August 15, 2007, with the distribution of the press kits, and will continue through the end of the delegate selection process.

B. EFFORTS TO EDUCATE ON THE DELEGATE SELECTION PROCESS

1. Well publicized educational workshops will be conducted in each of the delegate districts beginning in September 2007. These workshops will be designed to encourage participation in the delegate selection process, including apprising potential delegate candidates of the availability of financial assistance. These workshops will be held in places which are easily accessible to persons with physical disabilities. The times, dates, places and rules for the conduct of all education workshops, meetings and other events involved in the delegate selection process shall be effectively publicized by the party organization and include mailings to various organizations representative of the Democratic voting populace.
2. A speakers bureau of volunteers from the Affirmative Action Committee comprised of individuals who are fully familiar with the process, will be organized to appear before groups as needed, to provide information concerning the process.
3. The State Party's education efforts will include outreach to community leaders within the Democratic Party's constituencies and making sure that information about the delegate selection process is available to Democratic clubs and Party caucuses representing specific constituencies.

4. The State Party will publish and make available at no cost: a clear and concise explanation of how Democratic voters can participate in the delegate selection process; an explanation of how, where and when persons can register to vote; and delegate district maps. As well, the State Party shall also make available copies of the State Party Rules, the Delegate Selection Plan (and its attachments), the Affirmative Action Plan, and relevant state statutes at no cost. Copies of documents related to the state's delegate selection process will be prepared and the Affirmative Action Committee will distribute them in the various delegate districts not later than August 1, 2007
5. The State Party shall take all feasible steps to encourage persons to register and to vote as Democrats and will seek to ensure simple and easy registration procedures.

C. EFFORTS TO PUBLICIZE THE DELEGATE SELECTION PROCESS

1. Special attention shall be directed at publicizing the delegate selection process in the state. Such publicity shall include information on eligibility to vote and how to become a candidate for delegate, the time and location of each stage of the delegate selection process and where to get additional information. The foregoing information will also be published in the State Party newspaper. The Party organization, official, candidate, or member calling a meeting or scheduling an event, shall effectively publicize the role that such meeting or event plays in the selection of delegates and alternates to the Democratic National Convention.
2. Newspapers, radio and television will be utilized to inform the general public how, when and where to participate in the delegate selection process. Specifically, this information should provide details as to how to qualify to run as a delegate candidate. Special effort shall be directed to the major daily newspapers, radio and television stations by the State Democratic Chair, Affirmative Action Committee members and staff. Regular releases during the delegate selection process to all other media sources, weekly newspapers, and wire services should complete timely coverage. Attached as Exhibit 2 is a list of media outlets to which this information will be directed, including (a) major media, (b) minority media and (c) specialty media outlets.
3. A priority effort shall be directed at publicity among the Democratic Party's constituencies.
 - a. Information about the delegate selection process will be provided to minority newspapers and radio stations, ethnic press, Native American, Asian/Pacific American, Spanish-speaking and other non-English press, radio stations and publications, and women's organizations, student newspapers, gay and lesbian press, disability press, and any other specialty media in the state that is likely to reach the Democratic constituency groups set forth in the Introduction of this Affirmative Action Plan.
 - b. The State Party shall be responsible for the implementation of this publicity effort. For purposes of providing adequate notice of the delegate selection process, the times, dates, places and rules for the conduct of meetings and conventions, if any, shall be effectively publicized, bilingually where necessary, to encourage the participation of minority groups.
4. Not later than August 15, 2007, a press kit shall be made and provided to each daily and weekly newspaper as well as to the electronic media. The press kit will include:
 - a. a summary of all pertinent rules related to the state's delegate selection process;

- b. a map of delegate districts and how many delegates will be elected within each district;
- c. a summary explaining the operation and importance of the 2008 Convention; and
- d. materials designed to encourage participation by prospective delegate candidates.

D. REPRESENTATION GOALS

1. The State Party has determined the demographic composition of African Americans, Hispanics, Native Americans, and Asian/Pacific Americans in the state's Democratic electorate based upon data from the 2000 census. These constituency percentages shall be established as goals for representation in the state's convention delegation.
2. The State Party has determined the demographic composition of members of the LGBT community, people with disabilities, and youth in the state's Democratic electorate and furthermore, the State Party has chosen to establish these percentages as goals for representation in the state's convention delegation.

3. In determining the percentage of each group, the total statewide population has been increased by a factor of 1.40 to give effect to the impact of each voting group in Democratic Primary elections. These constituency percentages shall be established goals for representation in the state’s convention delegation.

	African Americans	Hispanics	Native Americans	Asian/Pacific Americans
% in Democratic Electorate	21.14	17.22	0.28	4.76
Numeric Goals for Delegation	39	32	1	9

4. When selecting the at-large portion of the delegation, the demographic composition of the other delegates (district-level, pledged PLEO, and unpledged) shall be compared with the State Party’s goals in order to achieve an at-large selection process which helps to bring about a representative balance.
5. Use of the at-large delegation to achieve the affirmative action goals established by this Plan does not obviate the need for the State Party to conduct outreach activities such as recruitment, education and training.

E. OBLIGATIONS OF PRESIDENTIAL CANDIDATES TO MAXIMIZE PARTICIPATION

1. Presidential candidates shall assist the Illinois Democratic Party in meeting the demographic representation goals reflected in the Affirmative Action Plan.
2. Each presidential candidate must submit a written statement to the State Democratic Chair by September 1, 2007 which indicates the specific steps he or she will take to encourage full participation in Illinois’s delegate selection process, including, but not limited to, procedures by which persons may file as candidates for delegate or alternate.
3. Each presidential candidate must submit demographic information with respect to all candidates for delegate and alternate pledged to them. Such information shall be submitted in conjunction with the list of names approved for consideration as delegate and alternate candidates pledged to the presidential candidate.
4. Presidential candidates (including uncommitted status) shall use their best effort to ensure that their respective delegations within the state’s delegate, alternate and standing committee delegations shall achieve the affirmative action goals reflected in the Affirmative Action Plan and that the respective delegations of each presidential candidate shall be equally divided between men and women. Furthermore, presidential candidates shall use their best efforts at the district level to approve delegate and alternate candidates who meet applicable equal division and affirmative action considerations in order to achieve the affirmative action goals and equal division for their respective delegations.

F. INCLUSION PROGRAMS

1. In order to achieve full participation of other groups that may be under-represented in Party affairs, including members of the LGBT community and people with disabilities, the Illinois Democratic Party has adopted and will implement Inclusion Programs.
2. The State Party has taken reasonable steps to determine the composition of members of the LGBT community, people with disabilities, and youth in the state's Democratic electorate, including a review of the most recent census data, and a review of election returns since the most recent census.
3. In securing this level of full participation, the State Party will conduct the education and publicity outreach efforts outlined in Sections B and C of this Section respectively.
4. The State Party will make accommodations to facilitate greater participation by people with disabilities. These accommodations will include notices and outreach in the LBGT, Disabled and Youth communities working through university and young democrat organizations and encouraging each presidential candidate to approve delegate candidates from the affected groups. In addition, the State Party shall conduct participation seminars targeting the LBGT, disabled and youth communities as part of its outreach program.
